BASIC NEEDS AND RESOURCES

INTERNATIONAL CHARITY **OPTION FIVE:**

INTERNATIONAL NEEDS UK

FOCUS: Equipping communities to secure their basic needs

ISSUE: Poverty and lack of access to essential services. They address the reality that many communities live without reliable access to clean water, food, and other necessities, which traps them in a cycle of poverty.

MISSION: To empower local leaders who can help their communities develop long-term, self-sufficient solutions. This includes training in sustainable agriculture, providing access to clean water through WASH (Water, Sanitation, and Hygiene) projects, and supporting health clinics.

MAIN AREAS OF WORK: Africa and Asia

SPECIAL FEATURES: Holistic development driven by faith. They are motivated by their Christian faith but are inclusive in their work, providing help to people of all faiths. Their approach is holistic, aiming to bring sustainable change by addressing a range of interconnected basic needs.
